Directory of Services

Service Providers By County

This insert lists providers of information and services to senior Kansans by county for Planning and Service Area (PSA) 05. For various reasons, a provider may be available but not listed, or listed and no longer available. Phone numbers also change. Contact the Southeast Kansas Area Agency on Aging for the most current information in your county.

Every effort has been made to ensure the accuracy of the information provided. However, human (and computer) errors do happen. If you find inaccurate information, please contact the Southeast Kansas Area Agency on Aging at the phone number on the back of this booklet.

If you provide information and/or services to seniors and wish to be included in this directory of services, contact the Southeast Kansas Area Agency on Aging. The Kansas Department on Aging, in cooperation with the Area Agencies on Aging, reserves the right to determine the appropriateness of the material included. The purpose of this directory is to provide information that will allow senior Kansans to remain in their homes as long as possible and to maintain their security, dignity, and independence.

If you would like a list of licensed nursing facilities in your county, contact the Southeast Kansas Area Agency on Aging, call **800-432-3535** or access information on the web at www.agingkansas.org/lce or www.medicare.gov/nhcompare.

The Kansas Department on Aging (KDOA) does not endorse the products, services or manufacturers in this booklet. Names appear solely because they are considered a source of information. KDOA assumes no liability for the use or contents of any product or service mentioned in this resource directory.

It is a misdemeanor to use the information in this directory for the purpose of selling or offering to sell property or services to the entities listed herein except in the limited circumstances provided for in KSA 21-3914.

The Southeast Kansas Area Agency on Aging provides a number of direct and contracted services for the 60+ population.

CARE — Client Assessment, Referral and Evaluation. An evaluation program to help people find appropriate long term care services and to collect data on the need for home and community based services.

Caregiver Support Program – Works with caregivers providing resource information and support for caregivers.

Case Management — Works with older adults and their families to assess complex situations requiring the coordination of many services.

Durable Medical Equipment – Receive donated equipment from the public to sterilize and provide to seniors to help them remain in their homes.

Health Promotion — Offers wellness programs to improve the health and well-being of seniors, such as exercise, medication management and nutrition education.

Homemaker Program — Provides assistance with light housekeeping.

Information — Coordination and dissemination of information regarding public and voluntary services, resources and housing alternatives.

Legal Services — Offers legal consultation and representation, education and assistance with access to government benefits.

Nutrition Program — Serves hot nutritious meals five days a week at 28 centers and offers education, recreation and socialization opportunities. Transportation is available to some nutrition centers. Also provides meals to homebound persons.

Older Kansans Employment Program (OKEP) — Assists job seekers age 55 and older in securing employment.

Personal Care Program — Provides bath aid and other personal care services to persons with chronic illness or disability.

Senior Care Act Program — Provides homemaking, personal care, chore services and respite care to enable senior adults to live independently at home.

SHICK — (Senior Health Insurance Counseling for Kansas) — trained volunteers serve as counselors for older Kansans who have questions about their health insurance.
