# SouthWest Kansas Area Agency on Aging

240 San Jose Drive  
Dodge City, KS 67801  
620-225-8230  
800-742-9531  
web site: [www.swkaaa.org](http://www.swkaaa.org)

## **Regional offices:**

Great Bend  
Lakin  
Liberal  
Pratt

## **Services in the 28 counties of southwest Kansas include:**

**In-home Care Services** are funded through SWKAAA to help older Kansans live independently in their own homes. Services may include: personal care, homemaker services, respite care, chore service and other life supporting services.

**Case Management** is an opportunity to review needs and resources and to link the consumer to a full range of appropriate services, using all available funding services. The purpose is to ensure that older Kansans are aware of community based and long term care options.

## **Client Assessment, Referral and Evaluation (CARE)**

administered by SWKAAA seeks to ensure consumers considering nursing home placement are fully informed of all available community service options. The assessment, required by the State of Kansas, gathers data needed to develop community services.

**Friendship Meals** offers home-delivered meals to the homebound and congregate meals at senior centers and other sites which provides fellowship as well as a nutritious meal. The program is sponsored by ElderCare, Inc.

---

**Section 8 Rent Assistance** is available to low income families, older Kansans and disabled individuals through HUD Section 8 Existing Housing Certificate/Voucher Programs.

**Information & Assistance** is a direct service providing confidential help with personal problems, information about available services and referrals to agencies that can best help the consumer. **Older & Bolder**, a 20-page large print newspaper is published by the agency. This is a free publication to persons age 60 and over in SWKAAA's 28-county service area.

**Senior Health Insurance Counseling for Kansas (SHICK)** offers Medicare beneficiaries a non-biased trained volunteer to assist with questions and problems concerning health insurance.

**Older Kansans Employment Program (OKEP)** assists job seekers age 55 and older in securing employment.

**Legal Services** are offered through Kansas Legal Services. SWKAAA contracts with KLS to provide legal counsel and representation to persons age 60 and older who reside in our service area.

**Community Focal Point Centers** are those senior centers which meet certain criteria based on the level of services and activities they offer to their community. An annual evaluation determines eligibility.

**Silver Haired Legislature** receives logistical support from SWKAAA. The Area Agency on Aging is responsible for the election process for the delegates of Southwest Kansas.

**Family Caregiver Support Services** provides services to those individuals caring for someone over the age of sixty. It was established to help caregivers meet these challenges and offers information, assistance, respite care and other supplemental services to the caregiver.
