## Senior Health Insurance Counseling for Kansas (SHICK)

SHICK is a free, unbiased and confidential program that uses trained, community volunteers to answer people's questions about Medicare and other insurance issues.

Our volunteer counselors do not work for any insurance company. Their goal is to educate and assist the public in making informed decisions about their health care options.

### SHICK is looking for a few good people!

The ideal SHICK counselor has

- the ability to work with others
- a caring, confident attitude
- the ability to understand health care information and options
- a willingness to stay up-to-date with changing regulations
- familiarity with computers and the internet
- good communication skills
- strong organizational skills
- time to commit to multiple ongoing projects

## SHICK has Many Volunteer Opportunities

## SHICK Volunteers get...

### Training

SHICK volunteers receive training on Medicare, Medicare Prescription Drug Insurance, Medicare Supplement Insurance, Long-Term Care Insurance and other health insurance subjects that concern Kansans. Training is offered in local communities, and there are also online options.

### Support

Volunteers are supported by staff at the state and local level. Regional SHICK Coordinators provide assistance, office space and equipment, supplies, and training support to volunteers in their areas.

### Satisfaction

Health insurance options can be confusing. SHICK volunteers help Medicare beneficiaries, caregivers, and others to understand their choices, access the benefits available to them, and find programs to help pay for medications and other services.
